

Welcome to the Park Slope Food Coop General Meeting

I. Warm Up (7:00-7:15)

Members make name tags, view meeting documents, and get to know each other.

II. Open Forum (7:15-7:30)

We start with the opportunity for members to briefly submit general and specific questions regarding the operation of the Coop. Appropriate staff or committee members may respond and a brief follow-up may be taken.

III. Coordinator and Committee Reports (7:30-8:00)

Coordinators deliver management reports regarding store operations including finances, products, and special projects.

Specific committees deliver reports regarding their activities in support of the Coop in subjects including—but not limited to—product research, environmental and social awareness, operations, and policy needs.

For more details including the actual rules upon which this guide is based, please see the document "Park Slope Food Coop Guide to the General and Annual Meetings."

Statement of Purpose

The GM is the advisory body of the Park Slope Food Coop. It is a democratic forum and all members are encouraged to participate. Information and ideas are discussed and members vote on specific administrative and operations policy initiatives. These votes represent the members' advice to the Board of Directors. The General Meeting is part of the Board of Directors meeting.

Meeting Program

- I. Warm Up, 7:00-7:15**
- II. Open Forum, 7:15-7:30**
- III. Coordinator & Committee Reports, 7:30-8:00**
